Forecast for Friday 07 Oct 2022

Weather: Heavy rain during the morning will give way to brighter conditions with occasional showers around the middle of the day, the afternoon will be a mixture of bright spells and occasional heavy showers. Small risk of hail and thunder also a risk of gales which will decrease to strong summit winds with a significant wind chill. Showers continuing in the evening but becoming more scattered with clearer spells.

Chance of cloud-free hill tops above 800m: Nil to 20% early morning becoming 80% by afternoon, although cloud lowering in any showers.

Low cloud and visibility: Cloud extensive, base 600m with patches to 300m, early in the day, lifting and breaking near or above the summits in the afternoon, although lowering significantly in any showers. Visibility moderate or poor early in the day, very poor at height, becoming mainly very good by the afternoon, but much lower in showers.
